

Aviation Maintenance Technology

Associate in Applied Science

Minimum of 61 Credits

The Aviation Maintenance Technology program is a cooperative alliance program conducted jointly by Oklahoma City Community College and Metro Tech Technology Center. Federal Aviation Administration certified airframe and powerplant technical occupational courses are offered exclusively at the Metro Tech Aviation Career Center campus. Required general education and support courses are offered at the Oklahoma City Community College campus.

Aviation maintenance technicians service, repair and overhaul various aircraft components and systems including electrical and hydraulic systems, airframes, engines and propellers on commercial and private aircraft.
