

# Business – AS/Aviation Management Emphasis

## Associate in Science

Minimum of 62 Credits

This program includes Oklahoma City Community College degree requirements and courses generally completed in the first two years of a baccalaureate degree curriculum. Students should also consult a faculty advisor in their major at Oklahoma City Community College. With approval, the associate degree program may be modified to meet a student's needs depending on the catalog of the college or university to which they plan to transfer and carefully select courses that will meet requirements for both the baccalaureate and associate degree programs.\*\*

This suggested curriculum includes Oklahoma City Community College degree requirements and courses generally completed during the first two years of a four-year curriculum. The associate degree program can be tailored to meet student's needs depending on the college or university they plan to attend.
