

How do I submit an assignment to Turnitin?

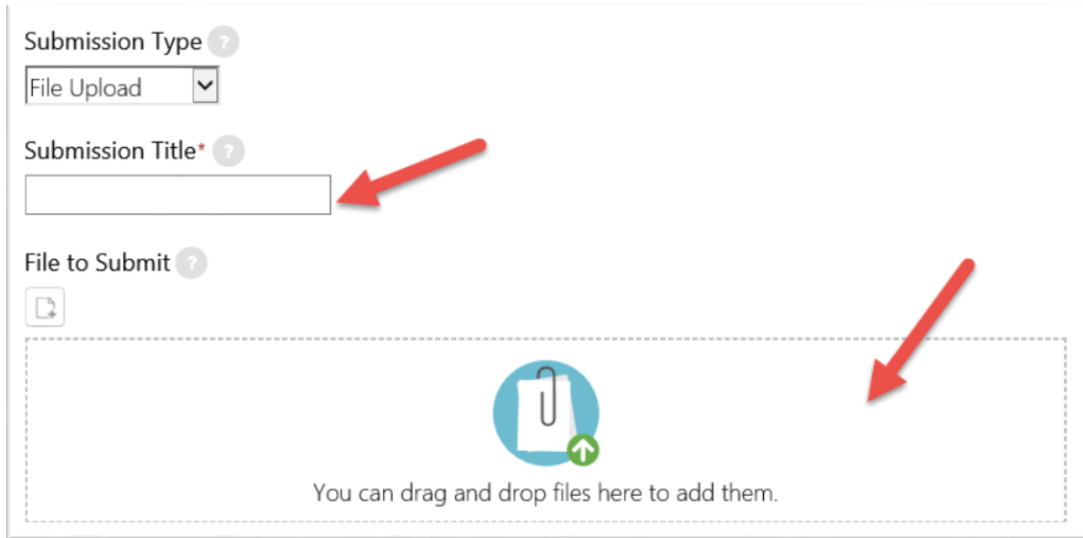

Your instructor may ask you to submit an assignment to Turnitin. (Note: Some instructors may refer to this assignment as a “Turnitin dropbox” or “dropbox.”) To access the assignment, first select the assignment link in the appropriate topic on the course home page.

This will take you to the assignment page. To turn in your paper, select **Submit Paper**.

This will bring you to the submission page. If your instructor has asked you to submit a file, you should provide a **Submission Title** and then drag and drop your file into the area **File to Submit** field.

Your work will begin uploading to Turnitin.

NOTE

Do not close your browser until your file has fully uploaded and you receive a digital receipt. If you do, your instructor may not be able to see or grade your work.

Once you receive the Digital Receipt, your file has been correctly submitted, and you may close the page.
