Other requirements for the BA degree

Before students can be accepted into the BA degree, they must demonstrate, through audition, a repertory and technical proficiency sufficient to reasonably expect degree completion.

All students are expected to enroll in the appropriate Piano/Keyboard sequence during the first four semesters of study. A grade of "C" or better in each course demonstrates proficiency at that level. Students capable of playing the piano at an intermediate or higher level may take a Piano Placement Examination prior to their first enrollment to determine their eligibility to enroll in an appropriate level of Applied Piano as an alternative to the required Piano/Keyboard sequence.

Students in applied music progress according to state repertoire commensurate with the level of study and as demonstrated in a jury performance. Access to upper division 3000 and 4000 level study and to the junior level recitals authorized by the division faculty upon completion of a juried performance at the preceding level with a grade of B or higher. Students enrolled in Junior Recital (MPER 3811) must pass a pre-recital jury at least two weeks prior to the recital. Each performance area will determine what literature is appropriate for junior level recitals.

Minimum Grade Requirements

1. Average in (a) all college course work, (b) course work at UCO, and (c) major courses.....2.00

Students must meet all bachelor degree requirements at UCO to include minimums of:

- 40 hours of upper division coursework
- 30 hours in residence at UCO
- 15 of the last 30 hours must be taken in residence at UCO
- 60 hours from baccalaureate granting institutions

Additional degree requirements can be found in the UCO Undergraduate Catalog.
