Student Outcomes Assessment

Oklahoma City Community College is committed to providing quality educational experiences to all students. Therefore, the College uses information from students, graduates, employers, and faculty to improve programs and services.

In addition, the Oklahoma State Regents for Higher Education view Outcomes Assessment as a vital component of the educational process and are leading Oklahoma’s higher education institutions in joining other states which require the implementation of an outcomes assessment process.

To ensure that adequate information is available, students will be asked to participate in personal interviews, to take program and/or general education assessments, or to complete surveys. For additional information on Student Outcomes Assessment, contact the Office of Institutional Effectiveness.
