Sources of Financial Aid

Oklahoma City Community College participates in the following Student Financial Aid Programs:

Federal Pell Grant

Federal Pell Grant eligibility is based on financial need. The amount a student can receive depends on the Cost of Attendance the enrollment status of full-time, part-time or less than half-time, and the student’s Expected Family Contribution (EFC). Final payment amount each semester is based on actual enrollment credit hours a student has at the close of the census date for the 16-week semester or at the time the College receives the Student Aid Report (SAR) after the semester is underway. Students are paid once each semester (fall and spring). Students who have available funds may also be eligible for summer Pell. Students who have earned a Bachelor’s degree are not eligible for a Federal Pell Grant at OCCC. Students must be pursuing an eligible certificate or degree program, maintain satisfactory academic progress, not owe a federal grant repayment, or be in default on any student loan. All Pell Grant recipients are now limited to 12 full-time equivalent semesters of Pell Grant funds. Students may review their Pell Lifetime Eligibility Units at www.nslds.gov

Federal Supplemental Educational Opportunity Grant (SEOG)

Federal SEOG eligibility is limited to students who have exceptional financial need, and must be awarded to Federal Pell Grant recipients who have the lowest Expected Family Contribution (EFC). The amount a student can receive depends on the student’s need, the availability of SEOG funds, and the amount of other assistance the student is receiving. The usual offer to Oklahoma City Community College students is $300 for the academic year. Due to limited funding, not all students receive SEOG. Funds are awarded on a first come, first serve basis. This program is also limited to students who have not yet earned a Bachelor’s degree. Students are paid once each semester (fall, spring, summer). Students must be pursuing a certificate or degree in an eligible program, maintain satisfactory academic progress, not owe a federal grant repayment, or be in default on any student loan.

Federal Work-Study (FWS) Student Employment

Federal Work Study is funded by the federal government and provides funding for employment for students who are eligible for need-based financial aid. The amount of the offer depends on the availability of FWS funds, the student's need and the amount of assistance the student receives from other programs. Students are paid bi-weekly, and may work 10-25 hours per week. OCCC provides a limited number of opportunities for students to work in community service jobs including reading and math tutoring. Interested students should contact the Financial Aid Office. Students must be pursuing a certificate or degree in an eligible program, maintain satisfactory academic progress, not owe a federal grant repayment, or be in default on any student loan.

Oklahoma’s Promise - Oklahoma Higher Learning Access Program (OHLAP)

OK Promise is a tuition scholarship program offered by the State of Oklahoma that pays tuition costs for eligible students. Students may apply for this program in the eighth grade, but must do so by the start of the tenth grade. Participants must meet specific program criteria to maintain eligibility while in high school. When the eligible student begins attending college, scholarship funds will be paid directly to the College for each semester, based on the enrolled credit hours.

Students must maintain their eligibility by meeting Regent’s grade point average requirements and Federal Student Aid academic progress standards. Students who have a 2.00 CGPA at 60 college credits earned must then maintain a 2.50 CGPA each semester thereafter that they receive OK Promise. Students who receive additional types of student financial aid for tuition can receive a cash disbursement once OK Promise funds are paid to the College. OK Promise funds from the state are usually disbursed to the student’s account each semester. Any credit balance on the account after all charges are paid will be available to the student as a refund.

The annual interest rate is determined by Congress. The student-borrower must begin repayment within six months after leaving school or after falling below six credit hours of enrollment status. A minimum enrollment of and attendance in six credit hours throughout the loan period is required. All borrowers must complete entrance counseling. When a student leaves the College or falls below six credit hours of enrollment status, the student must complete exit counseling.

The federal government does not pay the interest on the loan while the student is in school or during other deferment periods. The student must begin repayment of interest within 60 days of final disbursement of funds for the loan period unless the Direct Loan Program agrees to allow interest to accrue. The student-borrower must begin repayment within six months after leaving school or after falling below six credit hours of enrollment status. A minimum enrollment of and attendance in six credit hours throughout the loan period is required. All borrowers must complete

Repayment of Federal Direct PLUS begins 60 days after receiving the last disbursement of the loan period or as agreed upon by the borrower and Direct Loan Program. A minimum enrollment of six credit hours is required of the student throughout each loan period. Parent eligibility for a Direct PLUS is based on the student’s eligibility for Federal Student Aid and the parent meeting eligibility criteria. Amounts are based on cost of attendance minus all other resources expected for the student. Parents must not be in default on student loans or owe a repayment to federal grant programs. PLUS loan counseling is required for borrowers who are determined to have adverse credit histories, but who qualify for a PLUS loan due to extenuating circumstances or by obtaining an endorser. The same rules for disbursement, release of funds, and cancellation which apply to Direct Stafford Loans apply to Direct PLUS.

All Federal Student Loan Programs

Eligible students must have been awarded and completed all required paperwork to have their loans processed. All loans are paid in at least two disbursements, with the second disbursement after the midpoint of the loan payment period. If the first disbursement occurs after the midpoint of the loan period, the total amount may be sent in one disbursement. Loan refunds are scheduled to begin the week before each term. Once a semester is underway, loan refunds are usually available to students within 3 days after the Direct Loan Program transfers the funds to the College. Students may cancel their loan with a written request at any time during the loan process, including up to 14 days after loan funds are applied to the student's account. Students are notified by email when loan funds are applied to their account or when a loan or a portion of a loan is returned to the lender.
