Educational and Career Planning

Individuals who need assistance selecting a college program/major or setting a career goal, can get help in Office of Academic Advising. Career assistance is available for students who are just beginning the college experience, as well as those who are experiencing uncertainty after selecting a program/major. For more information, contact the Office of Academic Advising at http://www.occc.edu/acs or call (405) 682-7535.

Discussion may include related majors to careers, steps to continue exploration, and/or referral to other OCCC departments for additional information and services.
