

Division of Business and Information Technology

Dr. John Boyd, Acting Dean
Tsugi Coleman, Division Assistant

Donita Graves, Division Secretary

A variety of educational opportunities for certifications, an Associate in Science (A.S.) or an Associate in Applied Science (A.A.S.) degree are available for students interested in the business or information technology fields. Students may study programs in accounting and finance, administrative office technology, automotive management, business, computer-aided technology, computer science, general office support, legal office procedures, management, and medical office technology.

Various programs are accredited by the Accreditation Council for Business Schools and Programs (ACBSP)*. Educational opportunities for an Associate in Applied Science are also available in automotive technology and are accredited by the National Automotive Technicians Education Foundation (NATEF)**.
