

Educational Partnerships

Redlands Community College Partnership

Oklahoma City Community College and Redlands Community College in El Reno cooperate to provide pre-agriculture students the opportunity to co-enroll at both institutions. Students can take general education and support classes at Oklahoma City Community College. All major courses are taken at Redlands Community College, which also provides advisement and confers the degree. For more information, call Redlands Community College at (405) 262-2552 or Oklahoma City Community College at (405) 682-7535.

Rose State College Partnership

Oklahoma City Community College and Rose State College cooperate to provide the broadest possible offering of modern language courses without unnecessary duplication. Course curricula and requirements are similar so that cooperative class sections may be made available to students. Oklahoma City Community College students may attend selected classes on the Rose State College campus with credit earned at Oklahoma City Community College. Contact the Division of Arts and Humanities at (405) 682-7558 for schedule information.

Southeastern Oklahoma State University Partnership

Oklahoma City Community College and Southeastern Oklahoma State University have entered into a partnership to offer an Associate in Science leading to the Bachelor of Science Degree in Aviation Management with options in Maintenance and Business and Master in Science Degree in Aerospace Administration on the Oklahoma City Community College campus. For additional information, contact Aviation Sciences Institute at Southeastern Oklahoma State University (800) 435-1327 ext. 3252, (580) 745-3252, (405) 682-1611 x7452 or cmarshall@se.edu or the Division of Business at Oklahoma City Community College, (405) 682-7550 or ggardner@occc.edu

University of Oklahoma Partnership

Oklahoma City Community College and the University of Oklahoma have forged a partnership to better serve the student whose educational goal is the baccalaureate degree. More and more students are choosing to start their college education by completing an associate degree before transferring to a university. The partnership between Oklahoma City Community College and the University of Oklahoma is designed to provide the transfer student an effective and efficient support system to ensure ease of transfer. The University of Oklahoma offers a number of courses on the Oklahoma City Community College campus. Staff from the University of Oklahoma are hosted by Office of Academic Advising on the Oklahoma City Community College campus where students can receive academic advisement as well as process information for admission to the University. Enrollments for courses offered by the University of Oklahoma on the Oklahoma City Community College campus are also handled at this center. For more information, call Office of Academic Advising at (405) 682-7535.

University of Oklahoma (AFROTC) Partnership

Oklahoma City Community College students have a unique opportunity to join the Air Force Reserve Officer Training Corps (AFROTC) while attending Oklahoma City Community College. A cooperative agreement between Oklahoma City Community College and the University of Oklahoma (OU) exempts Oklahoma City

Community College students from paying most fees and insurance at OU. Basically, the only cost to the student is for the AFROTC credit hour(s). AFROTC classes meet on the University of Oklahoma, Norman campus.

AFROTC offers a variety of scholarships in nursing, computer science, engineering and other majors that you could pursue at Oklahoma City Community College. After completing a degree and the AFROTC program, the student will be commissioned as an officer in the United States Air Force and also have a guaranteed job after graduation. In addition, tuition waivers are available to help cover the OU tuition. For more information, contact University of Oklahoma ROTC Det. 675 at (405) 325-3211 or www.ou.edu/rotc/air-force

University of Central Oklahoma Partnership

Both institutions are committed to the partnership and the success of the student in pursuit of these degree programs. Both parties will work toward ensuring that the students have the opportunity to complete their degree programs effectively and efficiently.

Technology Center Partnerships

Oklahoma City Community College is partnering with Francis Tuttle to provide students with the nationally certified Associate in Applied Science in Respiratory Care. In addition, the College works with Francis Tuttle, Metro Tech, Mid America, and Moore Norman to provide additional opportunity for students. Students successfully completing nationally recognized certificates at Francis Tuttle, Metro Tech, Mid America, or Moore Norman Technology Centers may receive college credit toward an associate degree through prior learning assessment (PLA). All college credit is awarded by Oklahoma City Community College. For more information on the Respiratory Care program or the specific programs available through PLA call (405) 682-7822.
