Oklahoma City Community College

DEGREE AND CERTIFICATES

PROGRAMS OF STUDY

Oklahoma City Community College offers two types of associate degree programs: transfer and technical/occupational. In addition, a number of certificates of mastery are offered in technical and occupational fields of study.

Associate in Applied Science Graduate
• Educational Guarantee
• Technical Education Guarantee

If an Associate in Applied Science (A.A.S.) graduate is judged by the initial employer to be lacking in either academic or technical job skills identified as exit competencies by Oklahoma City Community College for the specific degree program, the graduate will be provided up to nine credit hours of additional education at and by Oklahoma City Community College.

Special conditions that apply to the guarantee are as follows:

1. The graduate must have earned the A.A.S. degree from Oklahoma City Community College after Fall 1995 in a technical program identified in the current College catalog.
2. The graduate must have completed the A.A.S. degree from Oklahoma City Community College with a majority of the credits for the degree being earned at Oklahoma City Community College. The graduate must have completed the degree within a four-year time span from the date the first coursework applicable to the degree earned was completed through the date degree requirements were completed.
3. The graduate must be employed full-time in an area directly related to the program of concentration as certified by Oklahoma City Community College.
4. Employment must commence within twelve months of graduation.
5. The employer must identify deficiencies and certify in writing, within 90 days of the graduate’s initial employment, that the employee is lacking specific entry-level skills guaranteed by Oklahoma City Community College as part of the degree program.
6. The employer, graduate, dean, and the appropriate faculty will develop a written educational development plan for the needed education.
7. Education provided will be limited to nine credit hours related to the identified skill deficiency and to those classes regularly scheduled during the period covered by the educational plan.
8. All education must be completed within three semesters from the time the educational plan is agreed upon.
9. The employer is responsible for the cost of books, insurance, uniforms, fees, room and board, tools, and other course related expenses other than the enrollment fee.
10. The guarantee process can be initiated by written notification from the employer to Oklahoma City Community College, Vice President for Academic Affairs, 7777 South May Avenue, Oklahoma City, OK 73159.

Certificates of Mastery

Frequently, students want to complete a specified curriculum pattern of fewer than 60 credit hours which will allow them to meet the certification requirements of various state agencies or other external certifying groups. As a result, certificate programs are offered in a number of career areas. To begin a certificate program, students should first contact Office of Academic Advising.

Certificate Curriculum Patterns:

Automotive Technology
Biototechnology Research Assistant
Business
• Bilingual Banking and Finance
• General Office Technology
• Legal Office Procedures
• Medical Office Administration
• Vehicle Service Advisor
Child Development
Clinical Research Coordinator
Computer-Aided Technology

University Parallel/Transfer Programs
Oklahoma City Community College offers a broad range of transfer
programs for students planning to continue on at a four-year college
or university. Students may enroll in freshman and sophomore
courses which lead to a baccalaureate degree in practically any field
of study. Upon completion of specified degree requirements, the
student is awarded an Associate in Arts or Associate in Science.
These degrees require the completion of a minimum of 60 semester
credit hours. Of the 60 semester credit hours, a minimum of 37
must satisfy the general education core requirements (see Degree
Requirements). The remaining approved courses will be related to the
student’s major or courses which directly support that major.

Policy Statement on Undergraduate Degree Requirements
and Articulation
In accordance with the Oklahoma State Regents for Higher Education
Policy Statement on Undergraduate Degree Requirements and
Articulation, a student who completes an Associate in Arts or an
Associate in Science degree at Oklahoma City Community College
university to which they plan to transfer. Each university’s official
catalog provides pertinent information about admission policies and
academic programs. That information is essential to the student’s
successful transfer to that university. Students should also consult a
faculty advisor in their major at Oklahoma City Community College.
With approval, the associate degree program may be modified to
meet a student’s needs depending on the intended transfer college or
university.
