

Learn By Serving...

A Student's Guide to Service Learning

Individual Volunteering

OCCC has more than 140 designated partner agencies that have continuous needs for volunteers. The service guide includes contact information for these agencies as well as descriptions of volunteer duties and available times. Students arrange their own service, so just pick up the phone and contact the agencies that interest you!

OCCC Service Days

OCCC plans and sponsors five to eight structured group service projects each semester. Service days are typically on Friday afternoon or all day Saturday. For more information or to register, visit www.occc.edu/studentlife/serviceday.html and click on the Registration icon on the top right side of the page. Spaces fill up quickly, so register early.

Civic Honors

Civic Honors is a self-directed leadership and service program that enables students to receive a Civic Honors award. The program includes personal vision development, resume assistance and leadership exploration. Participants complete 50 hours of service, a student portfolio, a reflective project and two mentor sessions with Student Life staff for the award. For more information, stop by the Student Life Office.

Presidential Award for Service

The President's Volunteer Service Award recognizes individuals, families and groups that have achieved a certain standard, measured by the number of hours served over a 12-month period or total hours earned over a lifetime. OCCC is an official certifying agency for the Presidential Award for Service. Awards start at 100 hours.

Don't miss the Volunteer Fair on campus each semester!

Contact Student Life at the beginning of each semester for information about fair dates.
