

Student Life Event Calendar

Spring, 2017

The following is a calendar of events coordinated through or partnered with the Office of Student Life. If you have any questions about any of the events listed, you may call the office at (405) 682—7523 or send an email to studentlife@occc.edu.

Below you will find a key and brief description for the different types of programs that will be found on the calendar.

Club and Organization events integrate into the campus culture, and connects students with others with which they have something in common. OCCC's clubs and organizations offer something for everyone and include groups for honors, cultures, and special interests.

TLC stands for The Leadership Council. The Leadership Council has general meetings typically every two weeks during the semester. This is an opportunity for student voices to be heard by administrators. Students clubs & organizations must be represented in the council, but meetings are open to all students.

This programming series introduces students to service-related activities such as our blood drives and volunteer fairs.

Service Learning is coordinated through the Office of Student Life. The Civic Honors and Campus Impact programs offer students the opportunity to earn service awards. Various service trips will be scheduled in a semester to give students the opportunity to do service within a group function and the program hour eligibility will be designated by an asterisks.

Employment Series events are designed to equip students with the skills and resources necessary to obtain employment.

The ExCEL series events are interactive presentations and activities focused on promoting diversity, inclusion, and cultural awareness.

Title IX events are educational opportunities for students, faculty, and staff to become aware of Title IX policies, procedures, and resources. These events hope to encourage awareness through activities and lectures on various topics.

Campus Safety events are designed to educate students on practical responses to safety and security issues and in emergency situations on campus.

In a semester there are special events coordinated through the Office of Student Life. Special events including: Orientation, Opening Day, Welcome Week events, and other miscellaneous events throughout the semester.
