1. Visit [www.occc.edu/summercamp](http://www.occc.edu/summercamp) to print a copy of the brochure and access the “individual course online enrollment instructions.”
2. Once you are comfortable with the instructions for online enrollment, select “CLICK HERE TO ENROLL ONLINE”
3. Select “Sign In” to create an account or log into an existing account.
1. Create a new account or sign into an existing account using the student’s name and information NOT your name and information. You will have to create an account for each child being enrolled (you may use the same password and email, but each child must have an account with their own username).

NOTE: USE YOUR CHILD’S NAME AND INFORMATION WHEN CREATING AN ACCOUNT.

NOTE: EACH STUDENT MUST HAVE AN ACCOUNT.
2. Once you’ve created an account, select “College for Kids”
3. Select “Courses” prior to selecting individual courses.
4. Select the course title you wish to enroll your child into.
5. Verify the section number for the course prior to selecting “Add to Cart”

NOTE: MULTIPLE SECTIONS WILL APPEAR! BE SURE TO SELECT THE CORRECT SECTION NUMBER
6. Verify that the appropriate course has been added to your cart prior to selecting “Return to Course Catalog” to pick additional courses or select “Check Out” if you are done selecting courses.

7. Follow steps 7 – 9 in selecting additional courses.
8. Once all courses have been selected, verify your courses and total amount due prior to selecting “Check Out.”

9. After selecting Check Out you will be routed to CASHNet to complete your online credit card payment.

10. Please contact us if you have any questions, concerns, or difficulties completing your online enrollment (405-682-7859).
