Create section

The new section will be as the last section in the course:

The screenshot shows the Moodle course contents page. On the left, under the heading "CONTENTS", there are four main sections: "Welcome to Moodle" (Progress: 8 / 8), "Navigating Moodle" (Progress: 5 / 5 - Conditional), "Forums" (Progress: 1 / 2 - Conditional), and "Assignments" (Progress: 2 / 3 - Conditional). On the right, there are three sections: "Quizzes, Tests, and Exams" (Progress: 2 / 3 - Conditional), "Final Assessment" (Progress: 0 / 1 - Conditional), and "Old submissions" (Progress: 0 / 4 - Not published to students). Below these sections, "Topic 8" is listed. A red arrow points from the left towards "Topic 8". At the bottom of the page, there are four navigation links: "Virtual Learning Center", "Campus Labs", "Create a new section", and "Course Tools".
