## Transfer Agreement

Oklahoma City Community College: AA-Psychology  
And  
University of Central Oklahoma: BA-Psychology

To comply with this agreement, students must complete the associate's degree with the major listed above and include the specific courses listed below.

Courses listed here are required for the agreement. Credited courses completed as part of the A.A. or A.S. that do not apply to the general education at OCCC or the UCO major transfer to UCO as electives.

### OCCC

ENGL 1113 English Composition I  
ENGL 1213 English Composition II  
MATH 1503 Contemporary Math OR  
MATH 1483 Functions and Modeling OR  
MATH 2013 Introduction to Statistics  
BIO 1114 General Biology  
PSY 1113 General Psychology  
PSY 2403 Developmental Psychology

### UCO

This degree requires additional course work, including the general education, as stated in the OCCC Catalog. Other OCCC courses may or may not apply to the UCO major. That specific information can be found on the UCO website under Transfer Students, Online Transfer Guides.

(May be taken at OCCC.) This signifies that a UCO course requirement can be met with the equivalent OCCC course (found on the UCO website). To take this course at OCCC, the student should confirm that it will fit into the associate's degree without exceeding the requirements. A minimum of 60 hours must be taken at a baccalaureate granting institution, so exceeding 64 credit hours at the community college means the student will exceed the minimum of 124 credit hour total. A minimum of 40 hours of 3/4000 level courses is required for the baccalaureate. Courses from community colleges are 1/2000 level.
