

Serigraphy I (Silk Screen Printing)

ART 2133

DEGREE PROGRAM COURSE DESCRIPTIONS

Serigraphy I introduces the student to both hand and photo stencil and screen print methods. Each student will produce a body of work exploring the image-making potential of screen printing techniques on paper and T-shirts. Strong emphasis will be placed on exploring color, design, and personal creativity.

PREREQUISITES?

ENGL 0203, adequate placement score, or by meeting determined placement measures
