

Management Capstone

MGMT 2453

DEGREE PROGRAM COURSE DESCRIPTIONS

The purpose of this course is to provide an application component to the holistic knowledge acquired in the AAS management degree program. The course curriculum is designed to correlate classroom training and work experience. The course requirements can be met by one or a combination of the following activities: case studies, internship, study abroad, research paper or project. This course should be taken during the student's last semester, preferably after all the management courses required by the degree program have been completed.
