

Meeting of the
OKLAHOMA CITY COMMUNITY COLLEGE BOARD OF REGENTS
October 19, 2009

AGENDA ITEM 17:

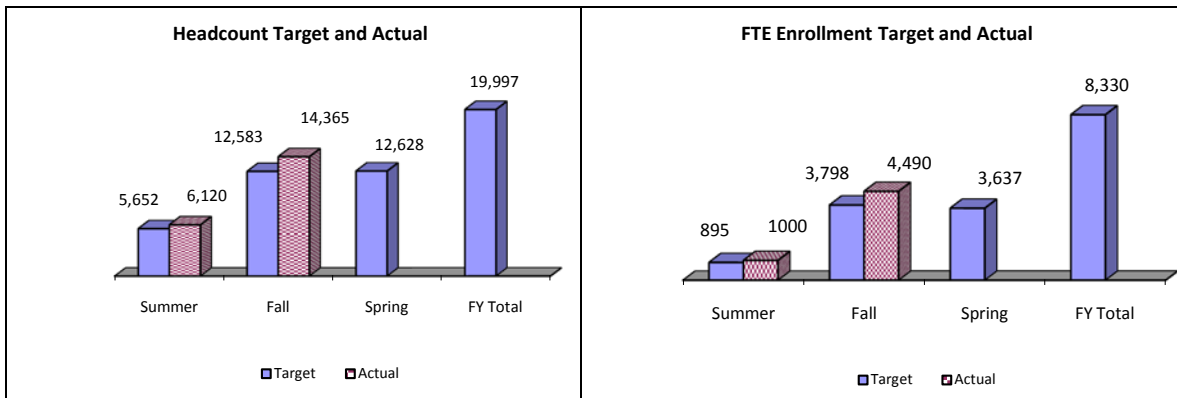

Report on 2009 Fall Enrollment and Student Demographics

Introduction

This incidental report provides both the academic and the demographic profile for the credit students enrolled at Oklahoma City Community College in Fall 2009, as of September 22, 2009.

The FY 2010 Target and Fall 2009 Enrollment Headcount and FTE

The actual fall headcount of 14,365 exceeds the target headcount of 12,583 by 14.2%. The actual FTE of 4,490 exceeds the target FTE of 3,798 by 18.2%.

Academic Profile

Course Load- Students are considered full time if they are enrolled in 12 credit hours or more.

- Part-time students make up 58% of the student body.
- Full-time students make up 42% of the students enrolled this fall.
- The average number of credit hours taken per student is 9.2 hours.

New and Returning- Thirty-six percent (36%) of the students are new to OCCC this fall, while 64% are returning students.

ACT Scores- Although not a criterion for admission, almost 34% of the students attending this fall have an ACT score on file. Of those students for whom there is an ACT score, the average score is 20.3.

Class Type- Sixty-nine percent (69%) of the students are enrolled in traditional courses only. However, 21% of the students are enrolled in at least one online class and at least one traditional course. Ten percent (10%) are enrolled exclusively in online classes.

Demographic Profile

Gender- Female students make up 58% of the total student body while male students constitute 42%.

Age- The average age of the student body is 25.8 years. The median age is 23 years. The distribution of age groups is as follows:

- 17 and under 3%
- 18 to 22 45%
- 23 to 30 30%
- 31 and over 22%

Ethnicity- The student body reflects the ethnic distribution of the five county area surrounding the College with a third of the students self reporting membership considered within the ethnic/racial mix.

- African American – 10%
- Asian – 7%
- Hawaiian/Pacific Islanders – 0.3%
- Hispanic/Latino – 9%
- Native American/Alaskan – 6%
- Two or More Races – 0.4%
- White/Caucasian – 57%
- Other/Not Reported – 11%

Socioeconomics- As a result of filing the Free Application for Federal Student Aid (FAFSA), almost 6,344 students, or 44% of the students enrolled, have been awarded Federal Title IV financial aid for the academic year.

- The average Estimated Family Contribution (EFC) for an awarded student is \$4,757.

Of the students enrolled and awarded aid, 4,539 are Pell eligible. Of the Pell eligible students; 3,156 have an EFC of 0 to 1700 (2,574 have an EFC of 0).

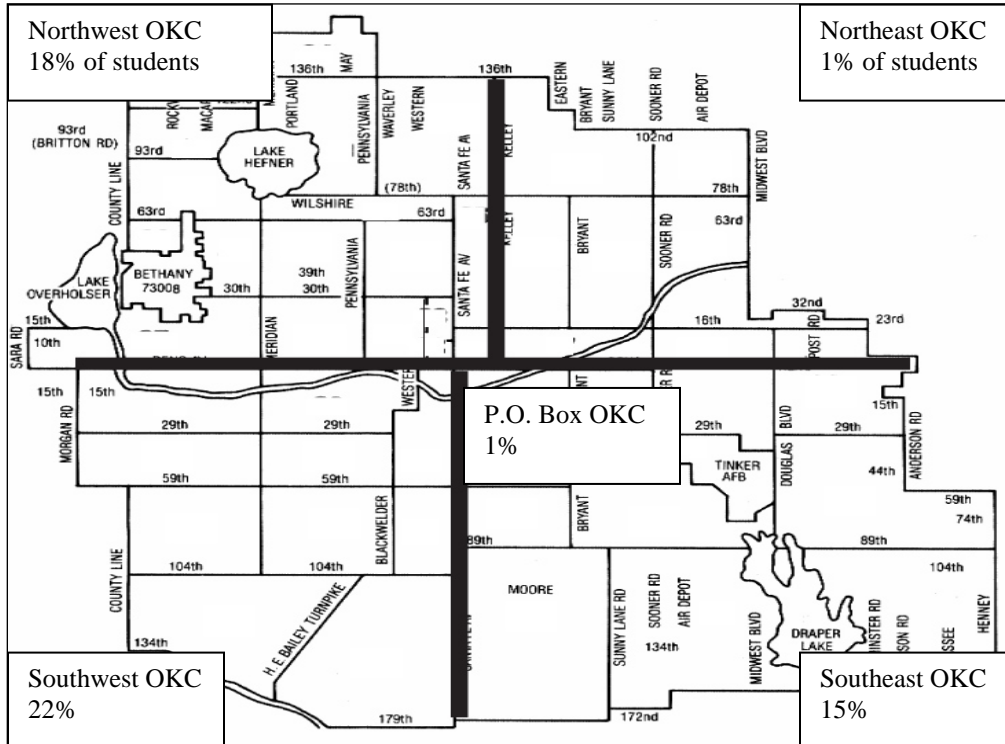

First Generation- First generation students are defined by the Department of Education as neither parent having attended college. Currently, the methodology for determining the number of first generation students is reliant on the data gathered from the students who completed the FAFSA. The distribution of 10,038 FAFSA completers by parental education is as follows:

- Neither parent attended college 57%
- Mother attended college 17%
- Father attended college 11%
- Both parents attended college 15%

Place of Residence- Of the entire student body, 56% have a 731XX zip code area within Oklahoma City or Moore

- 22% reside in the Southwest Metro Area
- 18% reside in the Northwest Metro Area
- 15% reside in the Southeast Metro Area
- 1% resides in the Northeast Metro Area
- An additional 1% maintains an Oklahoma City P.O. Box.

Oklahoma City Student Distribution

Outside of Oklahoma City- Outside of Oklahoma City, the ten cites with the most residents enrolled at OCCC are:

- | | |
|-------------------|----------------------|
| • Norman (2,028) | • Tuttle (188) |
| • Edmond (743) | • Midwest City (158) |
| • Yukon (496) | • Noble (150) |
| • Mustang (344) | • Newcastle (135) |
| • Blanchard (254) | • Bethany (133) |

International Students- There are 497 students, from 61 countries, enrolled in classes at OCCC this fall. The top ten countries represented at OCCC are:

- Nepal (149)
- South Korea (55)
- Vietnam (33)
- Kenya (30)
- India (22)
- China (18)
- Cameroon (13)
- Malaysia (13)
- Pakistan (13)
- Japan (12)

Fall 2009 Enrollment and Student Demographics of New OKC Go Participants

There was a 15% increase in the number of new students participating in the program this fall. The following enrollment and demographic information is provided on the 422 new OKC Go students enrolled this fall.

Course Load –

- 59% are enrolled full-time; with an average credit hour load of 13
- 41% are enrolled part-time; with an average credit hour load of 8

Course Placement –

- 42% tested into Developmental Reading
- 54% tested into Developmental Writing
- 79% tested into Developmental Math

Gender –

- 53% Female
- 47% Male

Ethnicity -

- 20.4% African American
- 3.4% Asian
- 0.2% Hawaiian/Pacific Islanders
- 32.0% Hispanic/Latino
- 5.0% Native American
- 24.0% White/Caucasian
- 15.0% Other/Unknown

Socioeconomic –

- 86% completed the Free Application for Federal Student Aid (FAFSA). (Last year, 93% of the new OKC Go participants filed a FAFSA.)
- 64% are Pell grant eligible based upon an EFC of less than \$4,617.

Total Financial Aid Awarded to date:	\$1,076,519.60
Total OGO	\$241,168.50
Total PELL	\$679,016.83
Total Other (OTAG, OHLAP, etc.)	\$156,334.35

Participation by High School and Percentage of the 2009 Graduation Class at OCCC and in OKC Go

School Name	Fall 2009 OKC Go	Percent of HS Class in OKC Go
Astec	17	23%
Capitol Hill	17	14%
Centennial	8	16%
Classen SAS	10	9%
Douglas	11	11%
Dove Academy	7	14%
Emerson	16	22%
Harding Charter Prep	18	28%
Harding Fine Arts	2	4%
John Marshall	17	35%
Northeast Academy	11	13%
Northwest Classen	48	23%
Pathways	7	54%
Santa Fe South	41	29%
Seeworth	10	22%
Southeast	42	29%
Star Spencer	12	14%
U.S. Grant	68	32%
Western Heights	60	48%

There were 1,812 graduates eligible for OKC-Go and twenty-three percent (23%) enrolled at OCCC and are part of OKC Go.
