**“American Indian Week”
with Oklahoma Astronaut and First Native American to Walk in Space**

John Herrington

Thursday, April 13 at 2 p.m. in CU2

OCCC Student Life and the Native American Student Association are proud to present a special presentation by NASA's and Rocketplane Limited's John Herrington. Herrington was mission specialist on STS-113 Endeavour (November 23-Dec 7, 2002) was the sixteenth Shuttle mission to visit the International Space Station. Mission accomplishments included the delivery of the Expedition-Six crew, the delivery, installation and activation of the P1 Truss, and the transfer of cargo from Shuttle to the Station.
