Good afternoon Bertha! I apologize for the delay in getting this information to you. There was a concern with some of the numbers generated by the report, so we needed to double check a few things. Unfortunately we do not have degree information for our part time faculty. We plan to conduct a degree audit for our part time faculty, but the date for completion has not yet been set. Please find the other requested information listed below.

Please note: all information provided is as of October 31, 2009.

Thank you,
 Denise ☺
