

Instructor Tips for Beginning A New Semester in ANGEL

- Import Course content from master course/previous semester/sandbox course.
- Review Best Practices for Online Learning Experiences and make any needed modifications.
- Verify/Create a course greeting
- Verify instructor contact information
- Check all links in the course to insure they are still active.
- Set up dates for assessments/assignment availability
- Check the grade book
- Contact the CLT team if you have questions or difficulties with any of the above at 682.7838.
