

**Automotive Collision Repair Technology  
Fall 2008  
Advisory Committee Meeting Minutes  
October 14, 2008  
6:00pm**

**Members Present:**

Doug Reinhart Dub Richardson Autobody  
Bobby Durham Reynolds Ford Collision  
Randy Tull Kent Automotive  
Jeff Davis Auto Tech Paint and Body  
Barry Hadlock Bob Moore Collision Center  
Dennis Moore Francis Tuttle Technology Center  
Zach Smith Francis Tuttle Technology Center

The group met at 6:00 pm with all T&I programs for dinner and Guest Speaker Phil Berkenbile, Oklahoma Dept of Career Tech Director.

Following the joint meeting, the Collision Repair Committee met in the collision repair classroom for their fall business meeting. First on the agenda was the introduction of Zach Smith as the program's instructional assistant. Zac's assistant is needed because of the increase of enrollment to 27 per session.

Dennis Moore explained the new Career Clusters/Career Majors that has been implemented this year, and how it will benefit students and employers.

Barry Hadlock discussed the need for techs and his plan to hire some helpers to grow into techs for his shops. Doug Reinhart echoed the need for techs and shared his plans to put a student/helper with each of his techs to have them ready as his techs retire.

There was no other business and the meeting adjourned at 8:20 pm.
