Increase overall participation, implement revised leadership program, provide the equivalent of 500 hours training related to emergency preparedness

Total individual participation in WOW sessions and customized sessions for faculty and staff in 2009 increased to 1379. This is an increase of 301% over the actual numbers recorded in 2008. The inaugural year of Leadership OCCC included 16 participants with 1200 actual contact training hours. Emergency preparedness contact training hours

equaled 647.
