Dear Enrollment and Student Services Division employees:

At this time of year, I often reflect on things for which I am most thankful. This year, as in many of the past years, I am truly thankful for the commitment to student success you have shown in times of spiritual, emotional, and physical need. I want to thank all of you for your contributions and efforts to make Oklahoma City Community College better on a daily basis. While I know that the day-to-day responsibilities of your job can be overwhelming at this time of year, I would like to visit with each of you and personally thank you for the incredible work that you have done this year and to wish you a wonderful Holiday Season. On Monday, December 13, 2010 from 2:30 - 4:00 the Office of the Vice President for Enrollment and Student Services Department will be hosting our Recognition party in the VPES Conference room, please take the opportunity to stop by so that I may personally convey my holiday wishes for you and your families.

*All my best, always,
Dr. Marion Paden*
