\$82,000 awarded in scholarships assisting 180 students.

2008 - \$113,635 contributed for scholarships by foundations, community individuals, corporations, and employees.

\$101,000 awarded in scholarships assisting 225 students.

2009 - \$115,000 contributed for scholarships by foundations, community individuals, corporations and employees.

\$105,465 awarded in scholarships assisting 195 students.

- The OCCC Foundation has 35 various scholarship funds to assist students annually.
- In 2008, the OCCC Foundation started an annual Scholarship Luncheon event to honor the student recipients and the donors of the various memorial scholarships. (See past programs)
- Various criteria is setup for the scholarships. Students fill out applications, and a Selection Committee from the College (usually faculty and staff members) select the students. (See sampling of application forms)
- The majority of the scholarships are awarded/credited to the students through their College accounts in the Bursar's Office. Scholarships range anywhere from \$150 to \$2,000. The majority of the scholarships awarded are in the \$500 range.
