

OKLAHOMA CITY COMMUNITY COLLEGE

Report on the FY 2005 Graduates

This report provides graduate survey information by the totals, AAS/Certification, AS/AA and major. Students who graduated in the Summer Semester of 2004, Fall Semester of 2004 and Spring Semester of 2005 are included in the results.

**Prepared by
Office of Institutional Effectiveness
July 2006**

Definitions/Descriptions

- 1 At least 4 graduates within the major had to respond to the survey for the major to be included in the list.
- 2 Each question includes responses from at least 3 graduates.
- 3 The number located within parentheses is the number of graduates responding to that question.
- 4 Jobs are listed for those jobs in which the graduates indicated the jobs were directly and somewhat directly related to the graduate's major.
- 5 All questions which asked graduates to rate an item were calculated from low to high with the lowest selection receiving a "1" and the highest receiving the highest rating in that category.
- 6 Wages are based on graduates who work full time and reported that their job was directly and somewhat directly related to their major.
- 7 Information for the AAS degree graduates were combined with the Certificate graduates to provide information on graduates who may be in the labor market.
- 8 Information for the AA and AS graduates were combined to provide information on graduates who may be continuing their education.
