

Pearson MyLabs Student Account Creation

Some courses may require you to use Pearson's MyLab to access course content. To setup your account, first log in to Moodle. Navigate to the course and select the MyLabs item:

On the next page, select the **Open MyLab & Mastering** button.

Before you can continue the setup process, you will need to read and agree to the End-User License Agreement and Privacy Policy.

Pearson End-User License Agreement and Privacy Policy

[Not sure if you have an account?](#)

Once you have signed in or created your account, you will need to enter the access code you received from the OCCC bookstore, or purchase access to the course. You can also get temporary access to the MyLab course using the link below the purchasing options.

Select an Option

Use an Access Code

A prepaid [access code](#) might come with your textbook or in a separate kit.

Access Code

Use a Credit Card or PayPal

Student access for MyMathLab with eText for Harshbarger/Yocco, College Algebra in Context with Applications for the Managerial, Life, and Social Sciences 5e

\$104.99 USD

18-Week student access for MyLab Math with eText for Harshbarger/Yocco, College Algebra in Context with Applications for the Managerial, Life and Social Sciences 5e

\$69.99 USD

Waiting for financial aid? [Get temporary access without payment for 14 days.](#) Use an access code, credit card, or PayPal before July 12, 2019 to stay in your course.

After gaining access to the Pearson MyLabs content using one of the options above, the process is complete. You can now access your Pearson MyLabs course using the link in Moodle, and will not need to log in to the Pearson site.
