Dear Ms. Myers,

At the May 2014 meeting, the Oklahoma Board of Nursing considered the report of the survey visit to Oklahoma City Community College, School of Nursing. It was the Board's decision to:

- Accept the survey report, and
- Grant continuing full approval for five years.

The Oklahoma Board of Nursing appreciates your efforts to cooperate with standards that serve to upgrade and promote the academic credibility of Oklahoma nursing education programs. The members and staff of the Oklahoma Board of Nursing look forward to the continuing progress of the program, and trust that you will contact us when we can be of assistance.

Sincerely,

Wendy Hubbard, MS, RN
