Dear Mr. Walker:

We have received the on-site evaluation results for your technician-training program at ***Oklahoma City Community College ASEP***. The results indicate that your program continues to meet the requirements for ***Master Automobile Service Technology*** Accreditation—the highest level of program accreditation recognized by the National Institute for Automotive Service Excellence (ASE).

We commend you and your staff for maintaining your program's standards, and continuing to meet the industry's requirements. The explosion in automotive technology makes your high-quality automotive training program more valuable than ever.

To acknowledge your accomplishment, we are creating a plaque for you that will indicate your program successfully completed the renewal process of program accreditation. You should receive this plaque within 6-8 weeks.

Sincerely,

Michael Coley
President
