

*Having met the criteria for measuring the depth
and maturity of established programs in the field
of Cyber Defense Education*

Oklahoma City Community College

is hereby designated as a

National Center of Academic Excellence

in

Cyber Defense Two-Year Education

through Academic Year 2021

This certificate is presented in the recognition of significant contributions in meeting the national demand for cyber defense education, developing a growing number of professionals with cyber defense expertise, and ultimately contributing to the protection of the national information infrastructure.
