

# Spanish — Modern Languages: Spanish Emphasis (Certificate: Conversational)

## Certificate of Mastery: Conversational Track

*Minimum of 21 credit hours*

The Certificate of Mastery program is designed for students who wish to develop a working proficiency in Spanish for a variety of goals, including personal development, career opportunities, and travel. Those who earn this certificate will be able to communicate, orally and in writing, with native speakers of Spanish, and will demonstrate the cultural competence necessary to function within the diverse cultures of the Hispanic world. In order to provide options for different student goals, we offer two curricular tracks for the Certificate of Mastery. Students who choose the Conversational Track will focus on oral language skills and development of cultural competence. This track will require an International Study course, which will provide authentic language and cultural experiences. This Certificate of Mastery gives the student the background in Spanish to find a career in teaching, travel, broadcasting, translating, law enforcement, international business or social service. All courses in the Certificate of Mastery can be applied toward the Associate in Arts Degree in Modern Languages: Spanish Emphasis. Students who plan to pursue a degree after completing the certificate should work with their faculty advisor.
