

Felony Convictions:

A felony conviction may affect a graduate's ability to sit for the NBCOT certification examination and/or attain state licensure. Please contact NBCOT and the Oklahoma State Board of Medical Licensure and Supervision for further information.

Medical Marijuana:

While medical marijuana is legal in the State of Oklahoma, it is not accepted in healthcare or in any of the Health Professions Programs at OCCC. A positive test for marijuana will result in the students' loss of eligibility to remain in a HP Program.
