

Child Development Courses & Hybrids

Complete College Presentation

Let me tell you a story.....

➡ Once upon a time.....in the Child Development Department at OCCCC

Hybrid Definition

- A hybrid course will meet 50 percent of the time in the classroom and 50 percent with outside assignments.

The structure of this class will be pre classwork, classwork, and post classwork.

The pre classwork will prepare you for the actual classwork.

Then the post classwork will follow up on the classwork we completed.

Format is Important!!
