Makenna Green presented information regarding the request for a second inventory number for the AS in Diversified Studies.

On the program inventory for the State Regents, 010 is the code representing the AA in Diversified Studies. We are requesting a second inventory number for the AS in Diversified Studies.

Motion to approve the modification of a second inventory number for the AS in Diversified Studies was made by Scott Carter and seconded by Greg Holland.

For: 9; Against: 0 – Motion Carried

Makenna Green presented information regarding the name change for the 084 certificate.

For the 084 certificate, there was a name change from Computer-Aided Design to Computer-Aided Technology in the first part of the program name. However, the second part of the title also changed from Manufacturing/Architecture to Computer-Aided Design to indicate a more current name for the emphasis. We want to ensure that both parts of the title have been updated to reflect a current listing for the 084 certificate program as Computer-Aided Technology – Computer-Aided Design.

Motion to approve the title modification for the 084 certificate was made by Julie Rice Rollins and seconded by Lisa Buckelew.

March 8th announced as next tentative meeting date.
