

General Education Committee
April 12, 2018 Minutes

Meeting Began: 12:30 p.m.
Meeting Adjourned: 1:30 p.m.

Present: Ernest Gobert, Dr. Makenna Green, Dr. Jeff Anderson, Dana Tuley-Williams, Mary Turner, Michael Boyle, Stacie Warner, Charles Myrick, Dr. Courtney Vahlberg, Jennifer Brumley

Absent: Dr. Max Simmons, Dr. Glenne' Whisenhunt, Greg Gardner, Brent Stafford, Dr. Janet Perry, John Helton, Dr. Shanna Padgham

A correction was discussed and made to the third paragraph of the March minutes. Courtney made a motion to accept the amended minutes. Michael seconded the motion, and it passed unanimously.

Ernest said that Kim Jameson asked him to put a hold on sending an email to assessment team members until she could review the situation. Assessment teams are not funded yet. Receiving fewer artifacts could jeopardize whether the additional assessment teams would make. Ernest stressed that money is not the issue. Both Critical Thinking and Writing have two assessment teams. During the discussion, committee members encouraged Ernest to communicate the urgency of confirming team members to Kim before the semester ends. Michael suggested tabling the issue until Kim makes a decision. Ernest said that he would follow up with her. There was then a brief discussion about the rubric.

It was noted that English professor Tonya Kymes had resigned and that April 13 would be her last day.

Makenna suggested that there might be a way to use Moodlerooms so that faculty could submit artifacts through a drop box. This would need to be discussed with the CLT to determine whether it is possible.

The meeting adjourned.
