

**No. 1001      PROPOSED BOARD POLICIES/PROPOSED BOARD POLICY CHANGES**

To provide ample opportunity for the Board of Regents' review and input on any proposed new Board policy or proposed changes to an existing Board policy, said policy will be sent to the Board by the President of the College a minimum of two weeks in advance of the Board meeting during which the policy will be considered. Depending upon the complexity of the policy, and at the discretion of the President, the policy may be presented first as an information/ discussion agenda item instead of as an action item. After the staff has revised the policy based upon input from the Board, the revised policy will appear on a subsequent agenda as an action item.
