French is the first language of about 136 million people worldwide, and it is the second language of about 110 million people. It is an official language of 29 countries and of the United Nations.

France itself has a population of 65 million. However, the majority of French speakers in the world live in Africa.

* “Tu” is the informal word for “You,” while “Vous” is the formal version. In French, informal speech is used when speaking with close friends, family, children and animals. It is also generally used between students. Otherwise, it is best to use formal speech.
