--

It is mandatory that the BID package label, as shown above, is used or this exact information is provided on the outside of the sealed proposal package. Failure to do so may cause the proposal to be rejected.

Proposals must be signed by an official authorized to bind the Contractor to the resulting contract. Any literature descriptive of the Contractor must be submitted with the original and electronic proposal.

Contractors are cautioned that only written information contained in this BID (including any amendments and addenda) are to be relied upon for preparation of a proposal.

Each Contractor is solely responsible for the timely delivery of the proposal by the specified deadline. Proposals must be submitted no later than the date and time specified in this BID. Contractors mailing proposals should allow a sufficient mail delivery period to ensure timely receipt of their proposal by the issuing office. Once again, timely receipt is defined as on or prior to 2:00 P.M. CST on April 25, 2024. Any proposals received after the scheduled date and time will be immediately disqualified. All proposals shall be guaranteed and binding for a period of not less than ninety (90) days past the proposal submission deadline.

4.2 Response Format

Beginning with the first subsection, it is requested that contractors respond to each subsection of this BID in the same paragraph and item number sequence, stating first the requirement and then providing their response.

For those paragraphs or items not requiring a specified response, Contractors may respond with concurrence or acknowledgement.

Reference to handbooks or other technical documentation may be used to augment the response to an item but may not constitute the entire response. Such references to handbooks and technical documentation must include the paragraph and/or page number of the referenced document. It is requested that brochures and bulky publications remain separate from the written response.

4.3 Contents of Proposal

- A. Contractors should include as part of their proposal all of the provisions of this BID and furnish all required information.
- B. If the Contractor submits standard terms and conditions with the proposal, and if any of those terms are in conflict with the laws of the State of Oklahoma, State law shall govern. Standard terms and conditions submitted may require amendment to adequately reflect all of the conditions of this BID. Upon award of this BID, the Contractor will be sent OCCC's standard Contract for Services to sign for the impending contract period.
- C. All agreements of any nature requiring execution by OCCC must be submitted with the proposal.
- D. A sample contract, if applicable, must be submitted with the proposal for review if required by the Contractor and will later require signature of OCCC officials.
- E. OCCC reserves the right to reject any proposal that does not comply with its requirements and specification of the BID. An offer may be rejected if the offer contains or imposes terms or conditions that would modify the requirements of the BID or limit the Contractor's liability to the State of Oklahoma or OCCC.

4.4 Revisions to the BID

OCCC may revise any part of this BID for any reason by issuing addenda. Addenda will be communicated to all Contractors on record as having received this BID, and such Contractors are responsible for the information contained in such addenda, whether or not they acknowledge receipt. OCCC is under no obligation to communicate such addenda to Contractors who notify OCCC that they will not be responding to this BID. OCCC may determine whether an addendum will be considered as part of the BID and/or as part of

any contract resulting therefrom. OCCC shall reject Contractor's responses to addenda if such responses are received after the BID closing date and time.

4.5 Errors and Omissions in this BID / Enhancements

Potential Contractors shall bring to OCCC's attention any discrepancies, errors, or omissions that may exist within this BID. Contractors shall recommend to OCCC any enhancements in respect to this BID which may be in OCCC's best interest.

4.6 Errors and Omissions in Contractor's Proposal

OCCC may accept or reject any Contractor's Proposal, in part or in its entirety, if such Proposal contains errors, omissions, or other problematic information. OCCC shall determine the materiality of such errors, omissions, or other problematic information. OCCC reserves the right to contact Contractors for clarification of ambiguous information contained in any proposal.

4.7 Required Signatures

OCCC may reject any Contractor's response if it is not signed and/or notarized as indicated and/or required on the areas, spaces, or forms provided within this BID.

4.8 Notification of Non-Selection

OCCC reserves the right not to notify Contractors whose BID responses are not selected for further consideration or notice of award. If OCCC decides to notify such Contractors in writing, it will send the notifications to the address or email indicated in each such Contractor's proposal.

4.9 Withdrawal of Proposals

Contractors may withdraw their Proposals at any time prior to the BID closing date. Contractors may request in writing to withdraw their Proposal after the BID closing date at any time prior to notice of award. OCCC shall have the sole authority to grant or deny such a request. In the event OCCC grants such a request, it may withhold issuing future BIDs to such Contractors.

4.10 Pre-Award Presentations

OCCC reserves the right to require presentations from the highest ranked Contractors, or from all Contractors, in which they may be asked to provide information in addition to that provided in their Proposals. The determination of how many Contractors are required to submit presentations is solely at the discretion of OCCC. Information relative to the topics or information to be presented by the Contractors selected for presentations will be provided at the time of presentation notification. Costs of preparing and attending the Presentation portion of the BID are to be borne by the Contractor.

4.11 Pre-Award Negotiations

OCCC reserves the right to negotiate prior to award with the highest ranked Contractors for purposes of addressing matters set forth in the following list, which may or may not be exhaustive:

- Obtaining the most advantageous financial agreement;
- Resolving minor differences and scrivener's errors;
- Clarifying necessary details and responsibilities;
- Emphasizing important issues and points;
- Receiving assurances from Contractors.

4.12 Effective Period of Proposals

Under this BID, OCCC shall hold that Contractor's responses to this BID shall remain in effect for a period of ninety (90) days following the closing date, in order to allow time for evaluation, approval, and award of the contract. Any Contractor who does not agree to this condition shall specifically communicate in its Proposal such disagreement to OCCC, along with any proposed alternatives. OCCC may accept or reject such proposed alternatives without further notification or explanation. At the time that OCCC announces a Contract award(s), all information included in the Successful Contractor(s) responses become part of the ensuing Contract documents.

4.13 Rejection of Contractor Counter-offers, Stipulations and Other Exceptions

Any Contractor exception, stipulation, counter-offer, requirement, and/or other alternative term or condition shall be considered rejected if prohibited by State law or OCCC policy.

4.14 Right to Use Contractor's Ideas/Proprietary Information

If the Contractor submits proprietary information with the Proposal, the Contractor shall ensure that it is enclosed in a separate envelope or file from the Proposal and that it is clearly designated and conspicuously labeled as such. Proposals that are marked proprietary and confidential in their entirety shall not be accepted for consideration. All Proposals are subject to a public records request; as permitted by law, OCCC shall protect Contractor information that is clearly designated and conspicuously labeled as proprietary. Please note that pricing information is not considered proprietary information.

OCCC shall have the right to use any ideas that are contained in any Proposal received in response to this BID, along with any adaption of such ideas. Selection or rejection of the Proposal shall not affect OCCC's right of use. OCCC shall not use any Contractor information that is clearly designated and conspicuously labeled as proprietary.

- 4.15 Contractor's Need to Use Proprietary Rights of OCCC
All information proprietary to OCCC and disclosed by OCCC to any Contractor shall be held in confidence by the Contractor and shall be used only for purposes of the Contractor performance under any contract resulting from this BID.
- 4.16 Public Record
Once finalized, documents resulting from this BID, including the resulting award, are available for public inspection pursuant to the Oklahoma Open Records Act, 51 O.S. § 24 A.1 et seq. Copies are provided upon written request to the OCCC Public Relations Office or the Office of General Counsel. For all information requested of this BID, Contract, or Contract award under the Oklahoma Open Records Act, OCCC shall be entitled to be reasonably compensated for all costs associated with printing and mailing the requested documentation.
- 4.17 Proposal Pricing to Reflect OCCC Tax Exempt Status
Proposal pricing shall be exclusive of taxes. OCCC is exempt from taxes, including State Sales Tax, Property (Ad Valorem) tax, and Federal Excise Tax. OCCC will provide tax exemption documents upon request.
- 4.18 Proposal Acceptance/Rejection
OCCC reserves the right to accept or reject any or all Proposals. Such rejection may be without prior notice and shall be without any liability of any kind or amount to OCCC. OCCC shall not accept any Proposal that OCCC deems not to be in their best interest. OCCC shall reject Proposals submitted after the closing date and time.
- 4.19 Selection, Negotiation, Additional Information
Although OCCC reserves the right to negotiate with any Contractor or Contractors to arrive at its final decision and/or to request additional information or clarification on any matter included in the Proposal, it also reserves the right to select the most responsive Contractor or Contractors without further discussion, negotiation, or prior notice. OCCC presumes that any Proposal is a best-and-final offer.
- 4.20 Proposal Organization
Contractors shall present Proposals in a format that can be readily incorporated into a contract. Contractors may present narrative Proposals provided that such Proposal follow the same outline and numbering scheme of this BID, including full descriptive cross-references to all requirements listed in Section 2.0, "Project Specifications." Contractors shall ensure that their Proposals include page numbers and are organized in a manner that will facilitate evaluation. OCCC reserves the right to reject without prior notice and without liability of any kind or amount any Proposal that it deems overly complex, disorganized, or difficult to evaluate. OCCC reserves the right to make such a decision without any input or communication from any other party. Contractors shall ensure that, at a minimum, their Proposals contain the components set forth in the following list:

- Original required sections from this BID;
- Any additional responses in corresponding sequential order; and
- Any additional supporting data.

4.21 Collusion Prohibited

In connection with this BID, Contractor collusion with other Contractors or employees thereof, or with any employee of the State, including any employee of OCCC, is prohibited and may result in Contractor disqualification and/or cancellation of award.

4.22 Improper Business Relationship / Conflict of Interest Prohibited

In connection with this BID, each Contractor shall ensure that no improper, unethical, or illegal relationships or conflict of interest exists between or among the Contractor, OCCC, and any other party to this BID. OCCC reserves the right to determine the materiality of such relationships, when discovered or disclosed, whether intended or not; and to decide whether or not Contractor disqualification and/or cancellation of award shall result.

5.0 TERMS AND CONDITIONS OF RESULTING CONTRACT

5.1 Contract Award

Response to this BID by Contractor indicates a desire to contract with OCCC. Information contained in this BID, along with the Successful Contractor's response, will be distilled into a contract document that will be executed by the Contractor and OCCC. Response to this BID is not a contract.

5.2 Contractual Force and Effect

The following terms and conditions establish OCCC's rights and expectations with respect to the goods and/or services sought hereunder. Unless otherwise specifically proposed by the Contractor, each term or condition herein shall, upon award by OCCC, have the force and effect of a contractual understanding between OCCC and the Successful Contractor. OCCC may pursue any remedy legally available to it in the event the Contractor breaches or violates any such term or condition.

5.3 Contract Term (if applicable)

OCCC reserves the right to set, and so sets, the intended contract term at a period not to exceed five (5) years, beginning July 1, 2024 to June 30, 2025, with an option to renew each July 1 for the term selected. While it is the intention of OCCC to maintain the contract for the term selected, as an agency of the State of Oklahoma, OCCC is prohibited from committing or otherwise obligating funds beyond the end of the then-existing fiscal year (June 30). Accordingly, OCCC shall have the option to renew any contract awarded under this RFP for up to four (4) additional one (1) year periods beyond the first year, one (1) year at a time, in sequence. OCCC also reserves the right to terminate any contract at any time upon thirty (30) days' notice. Further, OCCC reserves the right to negotiate with the Contractor any additional contracts that would start prior to the intended expiration date, and/or has the option to extend the intended expiration date.

5.4 Contract Status

OCCC may hold each Contractor's response to this BID as a legal offer to contract. If OCCC formally accepts such offer, a contractual relationship shall be deemed to exist and OCCC will so communicate to the Successful Contractor(s) by issuing a notice of award.

5.5 Terms and Conditions of Resulting Contract

The specifications, terms, and conditions set forth in this BID, and any related award document, shall be included and/or referenced in a contract document and forwarded to the Successful Contractor(s) for execution.

5.6 Conflicting Provisions

Under no circumstances shall any provision be effective if it is later found to be in conflict with state statute or other superior directive. In the event of a conflict between or among any provision contained in the resulting contract, such conflict shall be resolved in the following order, most effect to least effect.

- Original BID
- Negotiations on those matters eligible for negotiation
- Additional agreements and/or stipulations
- Contractor's Proposal

5.7 Discrepancies between Numbers and Words

In the event of a discrepancy between information written in numbers and the same information also written in words, the information written in words shall govern.

5.8 Settlement of Contract Disputes

In the event of dispute, doubt, or difference of opinion as to any matter related to any contract resulting from this BID, OCCC reserves the right to select a ranking OCCC executive officer or officers to render a decision. Such decision shall be final and binding on all parties to the contract.

5.9 Termination for Default

OCCC may terminate a contract resulting from this BID, for reason of the Contractor's default, if conditions including but not limited to those described in the following list come into being:

- The Contractor is adjudged bankrupt, makes a general assignment for the benefit of the Contractor's creditors or a receiver is appointed on account of the Contractor's insolvency.
- The Contractor persistently or repeatedly refuses or fails to perform specific provisions of the contract; or so fails to make progress pursuant to the contract's terms; or so fails to meet any delivery dates that may be specified in Section 5.0 titled "Specifications" except when extension may be granted to carry on as required by the contract.

- The Contractor persistently or repeatedly refuses or fails to make prompt payment to subcontractors and/or OCCC.
- The Contractor persistently or repeatedly disregards laws, ordinances, or the instructions of any duly authorized representative of OCCC.
- The Contractor otherwise commits a substantial violation of any provision of the contract.

5.10 Contract Termination/Certain Remedies

Either party may terminate this agreement for cause and/or convenience with thirty (30) days written notice to the other party. Contractor will be paid only for services actually provided through the date Contractor's work ceases. In the event all or any part of the contract is terminated, OCCC may take possession of any and all materials and finish the contract by whatever methods OCCC may deem expedient. The rights and/or remedies of OCCC under these terms and conditions are not exclusive but are in addition to any other rights and/or remedies provided by law or the contract.

5.11 Contract Modification / Verbal Communications

No change or modification to a contract resulting from this BID shall take effect until all parties have agreed in writing to such change or modification.

OCCC is under no obligation whatsoever to honor or observe any verbal communication that may apparently conflict with any provision herein, regardless of whether such information is obtained from any office, agent, or employee of OCCC. Verbal communication shall not be effective unless formally confirmed in writing by the specified OCCC procurement official in charge of managing this BID process. In no case shall verbal communication override written communication. Such verbal communication shall not affect the Contractor's risks or obligations under a contract resulting from this BID.

5.12 Contract Assignment or Sublet

No Contractor shall assign, transfer, or sublet, either in whole or in part, any contract resulting from this BID, without prior written OCCC approval.

5.13 No Waiver of Rights by OCCC

No delay or failure on OCCC's part to enforce any provision of this agreement shall constitute or be construed by any party as a waiver or limitation of OCCC's rights under any resulting contract.

5.14 Choice of Law and Venue

The resulting Contract, its validity, and disputes arising under it shall be governed by, construed, and enforced in accordance with the laws of the State of Oklahoma, without regard to its choice of law provisions. The parties agree that any legal action relating to this Contract shall be filed in the district court in Oklahoma County in the State of Oklahoma, to which jurisdiction and venue the parties expressly agree.

- 5.15 Hold Harmless and Indemnification
Contractor agrees to release, indemnify, defend, and hold harmless OCCC and its regents, trustees, officers, employees, agents, and representatives (in their official and individual capacities) from and against liability for any and all claims, actions, damages, including any indirect, special, consequential, or other damages of any kind or description, and attorneys' fees and expenses that may arise from any work performed hereunder due to the acts or omissions of the vendor, or its employees, agents or subcontractors, including without limitation, property damage and bodily injury liability.
- 5.16 Federal, State and Local Taxes, Licenses and Permits
The Successful Contractor is solely responsible for complying with all laws, ordinances, and regulations on taxes, licenses and permits, as they may apply to any matter under this BID. Contractors shall, at no expense to OCCC, procure and keep in force during the entire period of the contract all such permits and licenses and pay such taxes, including applicable State of Oklahoma Sales Taxes.
- 5.17 Payment in Advance of Receipt of Products or Services Prohibited
As an agency of the State of Oklahoma, OCCC is prohibited by statute from paying for products or services in advance. All payments, if any, associated with this contract shall be in arrears.
- 5.18 Workers Compensation
The Successful Contractor shall carry on their work in accordance with the requirements of the workers' compensation law of the State of Oklahoma, and shall not reject the provisions thereof during the life of the contract. Successful Contractor shall also protect themselves using liability insurance coverage against any and all claims for damages to persons and property which may arise out of operation under this contract, whether such operations be by the Contractor, subcontractor, or anyone directly employed by either of them. If Contractor is exempt from Workers Compensation, Contractor shall provide OCCC with the appropriate affidavit of exempt status.
- 5.19 Americans with Disabilities Act
The Successful Contractor must assure compliance with the Americans with Disabilities Act of 1990 and all amendments and requirements imposed by the regulations issued pursuant to this act in the performance of services identified in this BID.
- 5.20 Equal Opportunity Employer
The Successful Contractor must assure that it is an Equal Opportunity Employer, a provider of services and/or assistance, and in compliance with the 1964 Civil Rights Act, Title IX of the Education Amendments of 1972 Section 504 or the Rehabilitation Act of 1973, as amended, and Executive Orders 11246 and 11375. The Successful Contractor must acknowledge the requirements in their BID response. Please refer to Certificate of Compliance in Appendix A – Required Forms.

5.21 Ethical Standards

It shall be a breach of ethical standards for a person to be retained, or to retain a person, to solicit or secure a State contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except for retention of bona fide employees or bona fide established selling agencies maintained by the Contractor for the purpose of securing business.

5.22 Debarment

- I. "Equal Opportunity Clause"
During the performance of this/these contract(s) the contractor agrees as follows:
 - A. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
 - B. The contractor will, in all solicitations or advancements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
 - C. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
 - D. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
 - E. The contractor will comply will all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.
 - F. The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and order of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
 - G. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965 and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. The contractor will include the provisions of paragraphs (A) through (H) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

II. Certification on Non-Segregated Facilities

By the submission of this bid and/or acceptance of purchase orders during the above period, the bidder, offeror, applicant, or subcontractor certifies that he does not maintain or provide for his employees any segregated facilities at any of his establishments, and that he does not permit his employees to perform their services at any locations under his control where segregated facilities are maintained. He further agrees that breach of this certification is a violation of the equal opportunity clause in this contract. He further agrees that (except where he has obtained identical certifications from proposed contractors for specific time periods) he will obtain identical certification from proposed subcontractors prior to award of subcontracts exceeding \$10,000 which are not tax exempt from the provision of the equal opportunity clause; that he will retain such certifications in his files; and that he will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods).
