ADDENDUM #1 – Dated: 04/12/2024

Oklahoma City Community College has issued this addendum based on questions asked at the Pre-Bid Meeting held on April 11, 2024.

Question: Item 35 on page 3 of Exhibit B. Does the repair have to be a 1x1 or can it be larger?

Answer: If in your professional opinion the repair needs to be larger, we can do that.

Question: Can we do all the concrete repairs at once?

Answer: We can discuss this option and come to an agreement that should not affect travel or the operation of the school.

Question: When is the start and end date of this project?

Answer: We prefer that this work be completed during the summer. Spring semester is officially over Tuesday, May 21st and Fall 16-week courses begin on Monday, August 19th. There is a provision in the Bid for delays, especially due to weather.

As a reminder, the deadline for questions is Thursday, April 18, 2024 at 1:00 p.m. CST.

Sealed bids must be mailed or delivered by 2:00 p.m. CST on Thursday, April 25, 2024, with public bid opening immediately following beginning at 2:15 p.m. CST. See bid document for details.
