# K-12 Student Financial Responsibility Agreement

By registering for courses at Oklahoma City Community College (“OCCC”), I accept the conditions of the Financial Responsibility Agreement (“Agreement”). I agree to accept full financial responsibility for the payment of tuition, fees, and any other costs assessed, based upon my registration to attend classes at OCCC and as outlined in this agreement. I understand and agree that tuition and fees will be added to an account with OCCC, which I automatically establish by registering for classes (“Student Account”). I understand that, before classes begin, I need to ensure that I have identified other means for payment such as scholarships, Veteran Education Benefits, or personal funds. **\*High school students who are sponsored by their respective high school will only be responsible for tuition and fees not paid for by their school. I understand it is my responsibility to confirm high school sponsorship, if applicable, with my high school administration.**

**USE OF ACCOUNT:** I authorize OCCC to add to my Student Account all tuition, fees, or other associated charges incurred by me as a result of registering to attend OCCC. Other associated fees include, but are not limited to, any financial aid funds returned on my behalf, bookstore charges, finance charges, late charges, returned check charges and collection charges.

**OBLIGATION TO PAY:** Registration to attend classes at OCCC constitutes a financial obligation between OCCC and me. In accordance with OCCC policy listed at [www.occc.edu/bursar](http://www.occc.edu/bursar), I acknowledge that any tuition, fees, and fines that are not paid in full by the payment due date, any funds erroneously disbursed to me, any financial aid return of funds, and any other financial obligations to OCCC will automatically be considered past due and will incur applicable late charges as listed at [www.occc.edu/bursar](http://www.occc.edu/bursar). I acknowledge that I have read and understand the payment plan and the corresponding payment due dates. I am responsible for viewing my statement online through the Student Portal. If a payment plan, with scheduled automatic payments, is not set up by the established deadline, a \$25.00 payment plan enrollment fee will be assessed to my Student Account. If the minimum amount due for any payment plan payment is not paid, a \$20.00 late charge will be assessed to my Student Account. If a paper check or an e-check (ACH) payment is returned by the bank, there will be a \$25.00 returned item charge. I understand that any time my Student Account is considered past due, a Financial Hold (“Hold”) will be put on my account. A Hold on my account will prevent me from being able to register for additional classes and prevent me from obtaining an official transcript or a diploma. A partial payment does not remove a Hold, the Student Account must be made current in order for a Hold to be removed.

**WITHDRAWAL:** I understand it my responsibility to know OCCC’s deadlines and policies for dropping/withdrawing from classes and that if I do not withdraw by the deadline, I will be responsible for the full amount of tuition and fees owed on the Student Account. Failure to receive Financial Aid, Veterans Education Benefits, or high school sponsorship does not withdraw a student from classes or relieve a student from paying for tuition and fees.

**COMMUNICATIONS:** I understand that OCCC communicates all Student Account information via electronic services using the online secure Student Portal and that OCCC may send me important notices via my OCCC-issued email account. I agree that it is my responsibility to review my Student Account status and my OCCC-issued email account regularly. Failure to do so does not absolve me from my financial obligations, late charges, or Holds on my account. I further understand that it is my responsibility to notify OCCC of any changes to my mailing address or phone number.

**COLLECTIONS:** I understand that OCCC participates in the State of Oklahoma’s Warrant Intercept Program, authorized by House Bill No. 1314 of the State of Oklahoma in 1983. The Program allows a state agency to intercept a debtor’s state income tax refund and apply it to their indebtedness, which may result in collection of debt many years in the future.

**IRS FORM 1098-T:** I agree to comply with Federal law to furnish OCCC with my Social Security Number (SSN) (or if not eligible to obtain an SSN, will obtain from the Internal Revenue Service [IRS] a taxpayer identification number [TIN] to provide) for OCCC to meet the annual requirement of furnishing a Form 1098-T, Tuition Statement. Nonresident aliens that do not have income that is subject to tax are not required to supply this information. If I fail to provide my SSN or TIN to OCCC, I agree to pay any and all IRS fines assessed as a result of the missing SSN/TIN. I further understand that the IRS Tax form 1098-T will be available electronically on the Student Portal and notification for the document will be sent to my OCCC issued email account. If I wish to opt-out of electronic delivery of the 1098-T tax form, I must do so electronically through my Student Portal.
