

## How do I find my course?

After logging in, you will need to click "My courses," which is the second option in the navigation bar at the top-left of the screen.

	Welcome back, Joshua!							
	Home	Settings	Participants	Reports	Question bank	More 🗸	Open LMS 🗸	

This will take you to the "My courses" page. Here, you can search through your courses and/or sort them by name or by last accessed. You can also filter through courses to display the "In progress," "Future," "Past," "Starred," or "Removed from view."

	JMoore Snap Sandbox Theme Testing
	Moodle Orientation_Boost Theme Testing 71% complete
	Moodle Resources_Boost Theme Testing

To "Star" a course or "Remove from view" you will need to hover over the course area and click the three stacked dots that appear on the right side.
