

Open LMS App Instructions

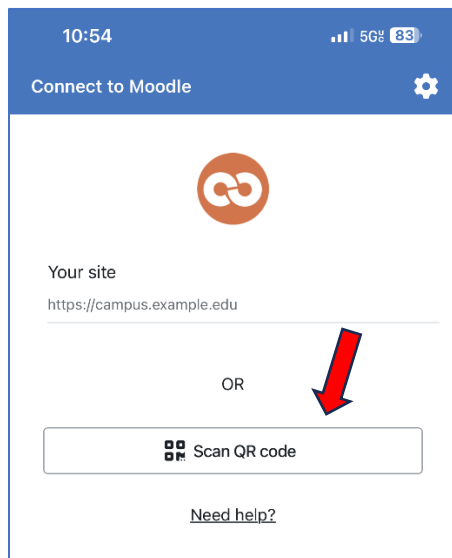

1. Download the [Open LMS App by clicking here](#).

2. There are two options to access OCCC's Moodle site through the Open LMS app:

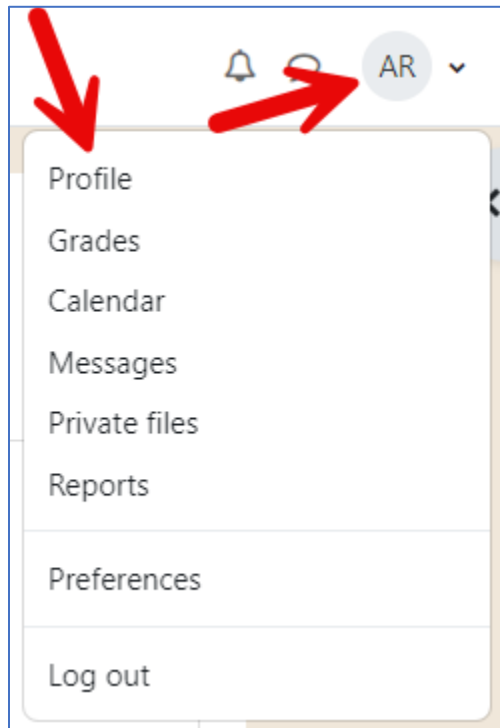

Open the app. Type **occc.mrooms3.net** for "your site"

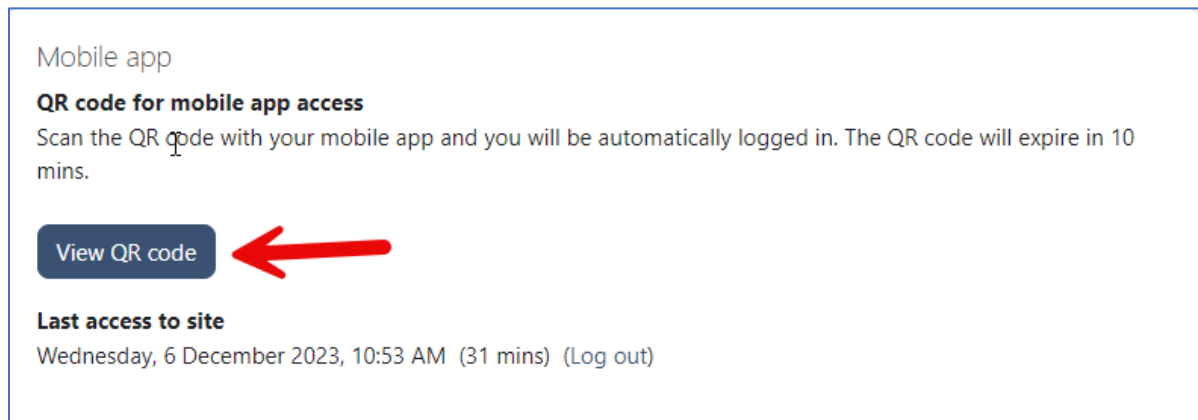

OR choose "scan QR code".

If you choose to scan the QR login code, then you can access that code through Moodle by clicking your initials in the top right corner of this page, then clicking "Profile".

Finally, scan the QR code under "mobile app".

3. Log in using your OCCC credentials.

A screenshot of a mobile device screen showing the login interface for Oklahoma City Community College (OCCC). The status bar at the top shows the time 11:26, signal strength, 5G connectivity, and 80% battery. The OCCC logo is displayed, followed by the text "Sign in with your OCCC account". Below this are two input fields: the first contains the email address "adrian.i.razolopez@occc.edu" and the second is labeled "Password". A red "Sign in" button is positioned at the bottom of the form.
